

My Final Project Checklist

The Layout	Yes/No
I've got the <i>official cover, the contents page</i>	
I have included <i>diagrams, graphs, photos</i> into my project (appendix)	
I have used <i>Times New Roman 12 Font</i>	
I have written <i>4000 words (+/- 5%)</i>	
The text is <i>well-structured</i> (containing paragraphs, subheadings, linking words)	
I have included <i>the sources of information list (bibliography)</i>	
I have included <i>the footnotes</i> of the cited materials	
The Contents	
In the introduction I have:	
- stated the <i>reason(s) of my choice</i>	
- stated the <i>problem(s)</i>	
- defined <i>the aim of my project</i>	
In the body of my project I have	
- followed the <i>structure</i> of the project (there are arguments proving that this problem is actual <i>or</i> there are 3 arguments for/against, 1-2 opposing opinions, 1-2 counterarguments)	
- <i>collected, analyzed</i> the information from <i>different sources</i> of information (English mainly, books as well as Internet)	
- included <i>statistics and experts' opinions</i> about the problem	
- included <i>examples</i> from literature, films, Mass Media, real life	
- offered <i>my way</i> of solving the problem, <i>giving reasons</i>	
In the conclusion I have	
- summed up the points mentioned above	
- answered all the questions and offered the ways to solve the problems I have stated <i>in the introduction</i>	
- finally, the contents of my project <i>corresponds to its title</i>
